### Background:

On December 12, 2017, the Board of County Commissioners approved Alachua County entering into a one (1) year Agreement with JMI Staffing Solutions, Inc. The Agreement was to provide staffing services at the Materials Recovery Facility (MRF). The use of a temporary staffing agency to provide

these skilled workers allows a level of flexibility to accommodate fluctuations in material volumes being processed, staff vacancies, schedule changes, etc. The County elected to exercise its first option to renew the term of the Agreement on September 26, 2018. In addition to extending the term through September 30, 2020, the First Amendment also made changes to accommodate the new Alachua County Minimum Wage. This Second Amendment increases the not-to-exceed amount of the Agreement to account for higher than anticipated staffing needs.
