Fiscal Consideration:

There is sufficient budget to cover the \$128,571.70 purchase. Currently, there is \$128,572 in available budget for this purchase in account: 400.76.7631.534.64.00, Solid Waste Fund. Direction from Deputy County Manger, James Harriott, instructed staff to find budget within current budget to order new equipment for the Transfer station. This was not part of the planned purchases for FY19 nor was this part of the vehicle replacement fund.

Background:

Purchase Order 2019-1935 is for the purchase of one (1) additional 2020 Mack Semi Truck Tractor to support the operations at the Leveda Brown Environment Park, Transfer Station.

This purchase is exempt from the County's competitive bidding requirements pursuant to Section 22.11(15) of the Alachua County Purchasing Code, which permits the County to purchase supplies, materials, equipment and services under the terms and conditions established under an existing contract that the vendor has with federal, state, municipal government or any other governmental agency. However, since the dollar amount of the purchase exceeds the purchasing authority of the Purchasing Manager, this Purchase Order is being submitted for Board consideration and approval.
