Agenda Item Name:

Amendments to Annual Pavement Marking Agreements

Presenter:

James Flegert, 374-5245

Description:

Request approval of first amendments to annual pavement marking agreements.

Recommended Action:

Approve first amendments for Annual Pavement Marking Services agreements with (1) Roadscape North Florida, Inc. and (2) P&P Striping, LLC.

Prior Board Motions:

April 10, 2018 - Board approved the finance report for RFP 18-6 and authorized staff to negotiate agreements with Roadscape and P&P.

July 10, 2018 - Board approved annual agreements with Roadscape and P&P for annual pavement marking services.

Fiscal Consideration:

Contract will be used for quarterly striping maintenance and on an as-needed basis. Striping estimates are included in the Department's annual operating budgets and capital project budgets.

The contracts have an annual not-to-exceed amount of \$750,000 per year.

Background:

These agreements will be used for pavement marking maintenance. The County does not have the specialized equipment or staff to perform this work in-house. These agreements are also utilized for

push button resurfacing projects. The term of these amendments will be through September 30, 2020 with a renewal option of one additional, one year period.
