Background:

This is the 6^h revised preliminary development plan for Celebration Pointe TOD. The purpose of the revised preliminary development plan is to incorporate a strip of property between the existing Block 13 and The Reserve at Kanapaha (RAK) that was previously right of way. The right of way has since been vacated.

The proposed revised preliminary development exceeds the threshold established in Unified Land Development Code (ULDC) Section 402.44 for review by the Development Review Committee. Therefore, the revised preliminary development plan requires approval by the Board of County Commissioners (BOCC).
