**Background:**

The Alachua County Board of County Commissioners has approved the use of the Fairgrounds by outside groups. Renters complete an application, negotiate any special arrangements needed, and execute the County's standard License Agreement. According to Policy 16-31, in order for a County Sponsorship, applicants must request sponsorship by the County in writing at least three (3) months prior to a scheduled event, which this particular group has missed that deadline. The request shall include the purpose of the use of the County facility, a brief description of the requesting organization's purpose and goals, and an analysis of how the event meets County government goals, purposes and responsibilities. The request may include a charitable not-for-profit determination from the IRS, Department of Revenue Consumers Certificate of Exemption, or any other relevant document, which is attached. In staff's opinion:

- a. The reservation applicant has met all of the requirements of this Policy, except the request three-months prior, and the reasonable use rules and requirements approved by the County Manager; and
- b. The reservation applicant has not violated an access agreement in the last two (2) years; and
- c. The event meets a social services public purpose consistent with a service currently offered or funded by the County.
