**Background:**

AK Associates provides 911 telephone system maintenance three days a week as well as on-call services. AK Associates services initially began in September 2010. Maintenance support includes all thirty-four 911 answering positions in the CCC and ten in the backup 911 center. Additionally, AK technicians act on behalf of the County, under direction of the County 911 Coordinator, when corresponding with service providers such as AT&T on all matters associated with 911 services.

The Board approved three prior agreements with AK Associates with termination dates that have expired. The prior agreements were dated: September 28, 2010, September 9, 2014 and March 27, 2018.
