Agenda Item Name:

Request approval of City of Archer Interlocal Agreement for Joint Projects funded through Wild Spaces Public Places

Presenter:

Gina Peebles, 352-538-8265

Description:

Request approval of City of Archer Interlocal Agreement for Joint Projects funded through Wild Spaces Public Places

Recommended Action:

Approve Interlocal Agreement with City of Archer for Joint Projects funded through Wild Spaces Public Places

Prior Board Motions:

Mar. 22, 2016 - 1. Adopt the municipal and county project lists for inclusion in the renewal of the Wild Spaces / Public Places Ballot Initiative and direct the County Attorney's Office to finalize and advertise the required ordinance with the amendment to page 2 section 3 "The proceeds of the surtax levied pursuant to this ordinance shall be distributed in accordance with subsection 212.055(2)(c). 2. Staff to begin the process of evaluating prior to the Board appointing an appropriate oversight board consistent with the ballot initiative. 3. Add language to the effect that the County may choose to assist municipalities with the funding projects that the County feels have countywide significance.

Fiscal Consideration:

Not to exceed \$250,000 for the City of Archer funded through the County's Wild Spaces Public Places allocation

Background:

The County has executed interlocal agreements with most Alachua County incorporated cities. The City of Archer originally proposed to construct a gymnasium through the program. However, that project is no longer feasible, so they are pursuing a splash park instead.

The only municipality who has not yet entered into an Interlocal Agreement is the Town of Micanopy.
