Agenda Item Name:

Deferred Compensation Ordinance Amendment-Authorization to Advertise

Presenter:

Bob Swain

Description:

This is a request for authorization to advertise an amendment to Section 23 of the Alachua County Code which would remove the County Attorney from the Deferred Compensation Committee's membership and add the Library Director.

Recommended Action:

Approve the advertisement of an ordinance amending Section 23 of the Alachua County Code Relating to the Deferred Compensation Committee which removes the County Attorney from the Committee and adds the Library Director to the Committee.

Prior Board Motions:

6/25/19 - The Board approved Ordinance 19-15, which revised the membership of the Deferred Compensation Committee by removing the Assistant County Manager for Budget and Fiscal Services.

Fiscal Consideration:

None

Background:

The current makeup of the Committee includes the County Attorney. Being a voting committee member does not allow the County Attorney to act as staff and meet with the Risk Manager to discuss options and recommendations to the Committee on deferred compensation issues. The proposed ordinance removes the County Attorney from the membership of the Deferred

Compensation Committee and eliminates a possible conflict of interest.

The proposed ordinance adds the Library, as it is joining the County's deferred compensation plan and should be represented on the Committee.
