### Background:

On August 28, 2014 the City of Gainesville and Alachua County entered into an Interlocal Agreement to provide funding for GRACE. Prior to FY 19-20, the City and County shared equally in funding the operations. Beginning in FY 19-20 the County decided to reduce its share of GRACE funding over a

three year period of time. For FY 19-20 the County appropriated \$500,000.00 for GRACE, while the City appropriated \$1,000,000.00. The County also agreed to pay \$500,000.00, shared equally with the City (\$250,000.00 each) to fund the Transitional Campground. It was further agreed, that any remaining FY 19-20 Transitional Campground funding would be applied to FY 20-21. GRACE has indicated there is \$66,037.00 available for carry forward.
