Background:

The Alachua County Crisis Center and the School Board of Alachua County have a long history of working together to provide crisis response services to the students, employees, and others in need. Services include telephone consultation, tele-health services, and mobile crisis response. The Parties also work together on other related initiatives including cross training to assure everyone involved is aware of the process to initiate services, share information, and work together to improve the response and outcomes for people in crisis.
