Agenda Item Name:

1st Amendment to Contract #11524 Annual Subsurface Injection and Grout Services to Foundation Services of Central Florida, not to exceed (NTE) \$500,000 annually, to repair sinkholes for the Public Works Department

Presenter:

Ramon Gavarrete 352.374.5245

Description:

1st Amendment to Contract #11524 Annual Subsurface Injection and Grout Services to Foundation Services of Central Florida

Recommended Action:

Approve the 1st Amendment to Contract #11524 for Annual Subsurface Injection and Grout Services to Foundation Services of Central Florida and authorize the Chair to execute same on behalf of the County

Prior Board Motions:

October 13th, 2020 - Board approved the agreement with Foundation Services of Central Florida

Fiscal Consideration:

The agreement includes an annual not-to-exceed amount of \$500,000 which will repair 10 to 20 sinkholes if needed. Funds for repairs will be accounted for in the Gas Tax Operations Fund in account 149.79.7900.541.46.00 or Capital Project Funds various accounts

Strategic Guide:

Infrastructure

Background:

Subsurface injection and grouting is a service needed by Public Works in order to conduct underground repairs to sinkholes, roadways, and drainage structures/pipe. This method of repair reduces or eliminates the amount of excavation required and thereby reduces impact to existing facilities. Under this contract repairs can be completed in a timely manner without conducting the procurement process for each instance where work is needed

Certain areas in Alachua County are prone to sinkholes due to the natural geology in this area. Repairs to sinkholes that occur in transportation right-of-way typically require underground polyurethane injection or grouting. County staff does not have the expertise or equipment to complete this work in-house. This agreement will be utilized to contract these services for regular operations and for capital projects. Historically sinkhole repairs were made under change orders or by obtaining quotes; having this agreement in place will enable the County to respond more expeditiously to sinkholes.

BID 20-230 Annual Subsurface Injection and Grout Services advertised on December 4, 2019 and December 11, 2019. The deadline for receipt of Bid 20-230 Annual Subsurface Injection and Grout Services was January 22, 2020; one (1) vendor responded. This First Amendment to the agreement elects the first option to renew the term and updates provisions on minimum wage and E-verify.
