Description:

Public hearing to set rates for Fire Assessment for Fiscal Year 2022-2023.

Recommended Action:

Adopt the Fire Service Assessment Final Rate Resolution for Fiscal Year 2022-2023.

Prior Board Motions:

Resolution 2022-70 was approved of on July 12, 2022 to set the rates for Fire Services Non-Ad Valorem Assessments and authorize provision of the notice to affect property owner on the Notice of Proposed Taxes (TRIM).

Fiscal Consideration:

For Fiscal Year 2022-23, the proposed rate for Tier 1 is \$94.50 and for Tier 2 is \$8.55. The FY23 expected revenue is \$19,854,723 (011.00.0000.325.2000).

The rate increases fall in line with the five-year plan presented to the Board on March 2020. The average Fire Assessment bill at 30 EBU's will increase by \$27.75 for Tier 1 and 2 combined.

Strategic Guide:

All Other Mandatory and Discretionary Services

Background:

The Fire Assessment was adopted by the Board and implemented as a funding source for fire protection services in FY2017-18. A resolution is required to set the Tentative Fire Assessment rates that will be included in the TRIM notices.
