### Background:

A blanket purchase order is a purchase order which is issued to an approved vendor for the fiscal year with a maximum dollar limit.

The blanket purchase orders on the attached report were competitively bid and approved by the BOCC, however, since the dollar amount of these purchases exceeds the purchasing authority of the

Procurement Manager, these Purchase Orders are being submitted for Board consideration and approval.

Each Department Director/Manager is responsible for monitoring their individual blanket purchase orders to ensure that purchases are made within the guidelines and dollar limits set forth.

Annual Blanket Purchase Orders are issued each fiscal year.
