### Presenter:

### Description:

Update to travel per diem for subsistence and milage to reflect current cost of travel.

### Recommended Action:

### Prior Board Motions:

N/A

### Fiscal Consideration:

The increase will be absorbed by each department within their current budget

### Strategic Guide:

All Other Mandatory and Discretionary Services

### Background:

Travel subsistence rates have not changed since 2004. During many of our contract negotiations for professional services and consultants, travel expenses allowability is a point of discussion, and this will facilitate agreement with a more accurate reflection of cost. The proposed subsistence rates are aligned with current U.S. GSA rates.
