Fiscal Consideration:

EMS Budgeted \$61,704.44, in account 001.54.5450.526.64.00, General Fund to cover the cost of replacement for the four (4) stretchers

Background:

There are four (4) rescue units scheduled for replacement in FY19. The new units are have the Performance Load Locking System stretcher bracket system. This system is not compatible with our current stretchers which are 10+ years old. The stretchers cannot be upgraded or retrofit to work with the new units.

Funds exists within the Fire Rescue EMS operating budget however, the funds need to be transferred to the capital category. The purchase order and sole source require Board approval because the amount exceeds \$50,000.00.

There are seven (7) remaining stretchers that will require future replacement as the rescue units are replaced. The total cost to replace four (4) stretchers is \$61,704.44 which includes a \$10,000.00 credit for trade-in value of four obsolete stretchers.
