File #: 19-0484, **Version:** 1

Agenda Item Name:

Special Assessment District

Presenter:

Lalit Lalwani

Description:

Special Assessment Districts are created by the Boards authority through the Alachua County Ordinance Chapter 37 or through the Citizen initiated MSBU Program resolution 16-50. This presentation describes the process of implementation and seeks policy direction for milling and resurfacing roads within existing and new approved subdivisions.

Recommended Action:

Staff is requesting Board direction for selection criteria to be used for existing subdivisions. Further, staff is requesting Board direction for all new approved subdivisions.

Prior Board Motions:

N/A

Fiscal Consideration:

N/A

Background:

In the past, the Board has created Special Assessment Districts through Resolutions for citizen initiated requests regarding roadway improvements. Staff is seeking Board direction for criteria to be used for existing subdivisions and Board direction for all new approved subdivisions.
