File #: 19-0286, **Version:** 1

Agenda Item Name:

Presentation - Automated Photo Speed Enforcement & Innovative Traffic Calming Solutions

Presenter:

Mark Coupland - Traffic Logix, Inc.

Description:

Traffic Logix offers innovative traffic calming solutions, with the goal of improving safety, slowing drivers down and returning drivers attention to the road.

Recommended Action:

Listen to the presentation and discuss.

Prior Board Motions:

N/A

Fiscal Consideration:

N/A

Background:

One of the action items from Budget meeting #1 was to invite a vendor to make a presentation at a public meeting to demonstrate how camera technology works to enforce speed limits.
