Agenda Item Name:

First Amendment to the Agreement between Alachua County and the City of High Springs for Fire Suppression and First Response EMS/Rescue Services

Presenter:

Harold Theus, Chief, 352-384-3101

Description:

This is the First Amendment to the Agreement between the County and the City of High Springs for Fire Suppression and First Response EMS/Rescue Services

Recommended Action:

Approve and sign the First Amendment to the Agreement between the County and the City of High Springs for Fire Suppression and First Response EMS/Rescue Services to continue Quarterly payments for responses

Prior Board Motions:

N/A

Fiscal Consideration:

The funding for this contract is budgeted in the MSBU-Fire fund 011.54.5480.522.34.00). The FY21 estimated budget is \$343,237. The First Amendment will continue the review of quarterly responses and payments as they occur. This will recognize the impact of Station 25 Hague responses.

Background:

The current interlocal agreement for Fire Suppression and First Response EMS/Rescue Services with the City of High Springs requires annual payments to be calculated based on previous calendar year responses. Using this formula would exclude the impact of Station 25 (Hague) responses. Both County and City staff recommend continuing the quarterly response reconciliation process and quarterly payments. The first amendment updates the necessary sections in the contract to adjust for this recommendation

On August 27, 2019, the Board approved the Interlocal Agreements for Fire Suppression and First Response EMS/Rescue Services with October 1, 2019 effective dates (#19-0127)
