Background:

On September 13, 2106, the board approved a new agreement for contractual services with Brooks Building Solutions. On January 10, 2017, the Board approved the First Amendment to the agreement adding the Josiah T. Walls Building. The Second Amendment added the “New” Public Defender Building. The Third Amendment extended the term and separated the Facilities Department responsibilities and the Critical Facilities responsibilities by building location. The Fourth Amendment further extended the term, added equipment at the jail that was no longer covered under warranty and addressed the Government Minimum Wage requirements. This agreement is for an additional one-year period.

The General Support Facilities Department and Critical Facilities Department will continue analyzing the contracted maintenance scope of services to determine the amount and level of work that can be performed by trained in-house staff.

Any failure of this equipment due to lack of maintenance could result in shortening the life cycle of the equipment.

The Facilities Department has also implemented quality assurance and quality control (QA/QC) control measures ensuring that the terms in the contract are achieved.

This purchase is exempt from the County's competitive bidding requirements pursuant to Section 22.3-302 (28) of the Alachua County Procurement Code, Sole Source procurements in accordance with the Procurement Procedures Manual. However, since the dollar amount of the purchase exceeds the purchasing authority of the Procurement Manager, this Purchase Order is being submitted for Board consideration and approval.
