Background:

In 2019, Alachua County procured our annual elevator maintenance agreement with Otis Elevator Company. This procurement was achieved by processing an addendum with the State of Florida's Department of Management Services (DMS) contract No. 14/15-049. This addendum to DMS-14/15-049 REBID was via the authority granted by ACS Agreement no. 7101506-ACS and section 22.11 (15) of the Alachua county Purchasing Code. This addendum was effective October 1, 2020 through December 31, 2020 with five (5) additional one-year terms contingent upon the renewal by the State. In 2021, Alachua County processed bid number 22-8 for Annual Elevator Maintenance Services and Oracle Elevator Company was the lowest and most responsive bidder.

The period of this agreement is from October 1, 2021 through September 30, 2022 with the option to renew for two (2) additional two (2) year periods. Staff is recommending to the Board of County Commissioners to award the Annual Elevator Maintenance Bid and Contract to Oracle Elevator Company.
