All Other Mandatory and Discretionary Services

Background:

Alachua County Fire Rescue received a donated reimbursement from the GRIT Foundation for the purchase of two (2) Chest compression devices and two (2) Powertraxx stair chair stretchers. The GRIT Foundation mission is to generate community-based support for local first responders and hometown heroes. The equipment will primarily be used at the University of Florida stadium to provide better access and care during large-scale events.

The reimbursement is for \$56,606.21 which is \$41,843.20 for the two chest compression devices and \$14,763.01 for the two stair chair stretchers. This reimbursement was unanticipated in the FY22 Adopted budget.
